CASE No. 236
Case No. 13-53846

My name is Renee Jones,
Case number: 236 (13-53846)
The reason I am writing you this
letter is because I understand that
the City of Detroit is going through
financial difficulties at this time.
However that does not excuse the
negligence of your employee, while
he was transporting passengers.
I suffered and continue to
suffer daily. So I feel that
\$1,000 is not asking for too
much.

I can send you copies of
my physical therapist, Pain Management,
Neurological Surgeon that I am
seeing at this time.

If by any chance you have
decided that I need an attorney
please feel free to contact
me at 11700 Morang St apt 3
Detroit, Michigan 48224
c/o (313) 352-5894

Thank you for
your understanding

Sincerely
